

## MENTAL HEALTH PROVIDER

**In this episode,** Cool Careers Correspondent Emmy visits CrossWinds Counseling & Wellness in Emporia to learn about a job that helps kids and adults manage their emotions: a mental health provider. She joins Marah, a clinical social worker, and the two discuss what led to Marah's interest in this field, why the job is so important and how to get started in this meaningful career.

Mental health providers deliver treatment and help people work through their emotions. Some experts specialize in areas like helping people with substance abuse issues or behavioral disorders.

#### **Typical Education Required For This Job:** BACHELOR'S DEGREE

**In this episode,** Cool Careers Correspondent Raisa gets a close-up look into the world of medical imaging at Stormont Vail Health Clinic. She learns how ultrasounds are used to help people — and how ultrasound machines use some of the same technology as dolphins!

Medical imaging technicians take X-rays and CAT scans or administer blood tests to help diagnose medical conditions or to do research.
