Materials	
<ul style="list-style-type: none"> Computer with a camera and microphone, Google images, materials to create a costume prop, chart paper 	

Student Preparation**Assignments**

- *Students will decide on a career they would like to work at when they get older. They need to think of a costume so they can dress up as this career.*

Introduction

Read the book, "When I Grow Up" By Al Yankovic. Have a discussion and brainstorm all the careers you have discussed throughout the year, read about in the book, met with in person, etc.

Information Presentation	
<i>Information</i>	<i>Key Points</i>
<ul style="list-style-type: none">● <i>All career possibilities</i>● <i>Careers we have seen in class</i>● <i>Family members' jobs</i>● <i>Careers from the book</i>	<ul style="list-style-type: none">● <i>Look at all career areas</i>● <i>Talk about what is done at different careers</i>

Summary
<p><i>The students are explaining in one sentence what they want to be when they grow up. They can create a prop with the help of an adult and choose a photo that goes along with that career.</i></p>

Student Activities

Students will work with a teacher in one group to create a costume with their career in mind. For example, they can make a firefighter's hat out of paper if they want to be a firefighter. Then the next group will find a Google image that represents the career they chose. Then they will record a sentence saying what they want to be when they grow up.

Student Assessment

Was the student able to give a complete sentence and state what they want to be when they grow up? Share the video with the class and parents.
